Reaction to Remedy Follow Up

Name: _____

Date: _____

In order for me to efficiently evaluate the prescription your pet has received, please circle the appropriate responses the *day before* your **follow up appointment (usually 3-4 weeks after remedy administration)** and if possible fax this form back to 203.227.3231. In addition, please call the office with a short, general update about your pet's **initial response to the remedy 1 week after it is given.**
